**MANCHESTER UNITED RESTAURANT & BAR TO OPEN
FIRST NORTH ASIAN OUTLETS IN SOUTH KOREA**

Seoul, 5 Feb 2008 - Good Morning, My name is David Gill and I'm the Chief Executive of Manchester United. Welcome to the family.

Everyone at Old Trafford is very excited about the opening of the Manchester United Restaurant/ Bars in Korea. The amazing welcome that the team received on our first ever visit to Seoul last year will live long in our memories. There's no doubt that we have a huge following in Korea and I hope that these restaurants will bring the Theatre of Dreams a little closer for many of our loyal fans.

Our thanks go to Mr. Kim Chi Gon and Mr. Joe Sim for their commitment and hard work in making this project happen. The first of the restaurant/ bars will open in Downtown Seoul in the late summer this year, giving our fans something really exciting to look forward to.

Good luck and enjoy the experience.
